

## ICF ACC Credentialing Mock Exam: Terms of Service and Confidentiality Agreement

1. The **content of this practice test is highly confidential** and should not be shared with any other third-party entity without written permission from Ignite Global. This includes copy-pasting and sharing screenshots of the content within this test.
2. This practice test is **specifically aligned with the new ICF ACC Credentialing Exam**.
3. Users enrolled in this practice test are prohibited from sharing their login credentials with others.
4. All stakeholders of this practice test, including the enrolled user, abide by the [ICF Ethical Guidelines](#).
5. Please note that after you submit your answers, **you can review them on the Results Page**. On this page, you can see which answers are correct and which are incorrect. However, **once you leave the Results Page, you will no longer be able to review your answers**.
6. Following the actual ICF Credentialing Exam system, **please note, there are no explanations provided as this is only a simulation**.
7. All the questions and the answers are created as accurately as possible in reference to the actual ICF ACC Credentialing Exam. At the same time, the answers are also based on the alignment of ICF competency and the ICF Code of Ethics.
8. Please note that each question and all the answers have been provided with utmost care and a thorough careful process. We have confirmed that these answers represent the standard responses that can be considered valid in each scenario. Since this is a simulation of the ICF Credentialing Exam, **we'll adhere to the same practice as ICF by not offering clarifications about correct or incorrect answers via email**.
9. Consequently, should you require explanations or clarifications regarding the questions and answers of this practice test, we recommend you reach out to your ICF coach education provider or your ICF Mentor. Should you wish to seek assistance from the test provider, **you are welcome to schedule a consultation call at a fee with one of our ICF MCC coach educators, and experienced mentors**, enabling you to enhance your professional development and preparation for your ICF Credentialing exam.

10. While we make every effort to simulate the ICF Credentialing Exam as closely as possible, the success or failure of **this practice test does not determine the success or failure** of the ICF ACC Credentialing Exam conducted by the ICF.
11. We are **only liable for and able to provide the results of the test** if the system has successfully received data from your end. We cannot be held liable for any interruptions, such as problems in internet connectivity, which are beyond our control.
12. No internet system is perfect. While we will actively inform you of any scheduled maintenance, unexpected system maintenance or downtime may occur. You acknowledge and agree that, as with any system, **technical difficulties may arise, and you agree not to make any claims in such instances.**
13. Questions are created by **ICF Accredited Ignite Global Coach Training Facilitators.**
